CUBE WATERFALL

CUBE WATERFALL

Cube waterfall nasce dal desiderio di combinare forme spiccatamente moderne con l'incanto e l'armoniosità di una cascata naturale. Una collezione addolcita dai particolari scivoli cromati che permettono di osservare l'acqua corrente durante il suo fluire.

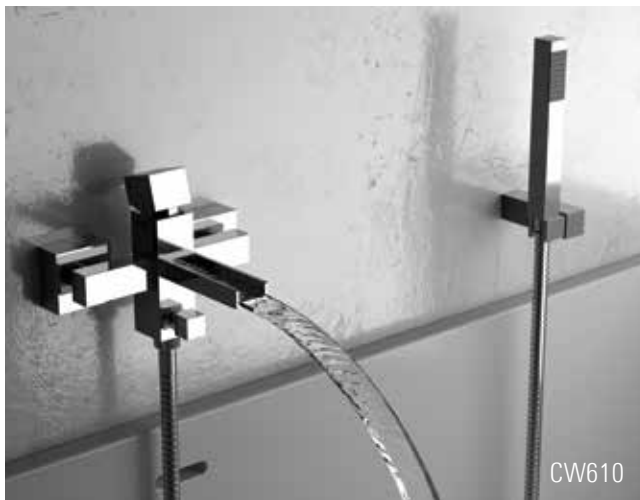

Cube waterfall comes from the desire to combine distinctly modern shapes with the charm and the harmony of a natural waterfall. A collection softened by the particular chromed slides allowing to observe the water during its flow.
